

# Management \$ense Food Sense

*The essential guide to food service in your school!*

Want to manage your canteen more efficiently and profitably?  
Then Management \$ense, Food Sense is the manual for you!  
A great resource with all the information to make your canteen a raging success.

## **Find out how to:**

- ❖ Develop your own accounts system for keeping track of stock and money in the canteen.
- ❖ Select good staff. It makes everything so much easier.
- ❖ Choose the right equipment for your canteen and save money.
- ❖ Check if you are up-to scratch on important safety issues.
- ❖ Sell healthy foods and make a profit!
- ❖ There are many ideas, recipes and promotional tactics to help you on your way.
- ❖ Attract and keep those VIP's....volunteers!
- ❖ Develop a canteen policy. Step by step information, samples and surveys from which you can work.
- ❖ Introduce basic security and emergency procedures that every canteen worker should know.
- ❖ Renovate your canteen. Advice to help you make those important and costly decisions.
